

# Sugar Wholesaler in India

- Crystal sugar
- Icing sugar
- Candy Sugar
- Refined Sugar
- Brown Sugar

## Crystal sugar

We Dhanraj Sugars Pvt. Ltd. are massively indulged as the standard Crystal Sugar Manufacturer and Supplier in Gujarat. We are reprocessing & packing the pure quality of the crystal sugar sachets for to deliver to the various customers.

This sugar is majorly used for the sweetening drinks, food items etc so we used to supply our crystal sugar sachets to various food centers at very affordable price.

## Icing sugar

Our company is expertised as Icing Sugar Manufacturer and Supplier in India. We are making the finely processed icing sugars and widely supplying them at the many bakeries from various cities.

As we are providing the dust free icing sugar packets, it is frequently used for icing coatings to the cakes, pastries etc. our Icing Sugar are easily available on the market at reasonable cost.

# Candy Sugar

As the Candy Sugar Manufacturer and Supplier, we have engaged to provide the distil varieties of sugars for making of candies at diverse firms. These candy sugars are available with us at the nominal price.

In candy making unit, there is need of bulk order of sugar so they were broadly demanding with us for the large quantities of candy sugar as we are providing them the completely purified sugar in easy packets.

## Refined Sugar

Along with our numerous sugar varieties, our company's Refined Sugars are more demanded over the market. Our refined sugars are made with the good quality of the natural sugar canes which gives the pure sweetness to this refined sugar.

Due to this, many cafes and food centers are largely asks for our sugar as it is also packed with the simple sachets and better for the usages.
